Directions.

From the A38 south and the A50

On the A38 travelling north (towards Derby), pass the junction with the A50 (by Toyota Factory) and continue to the next junction, shortly after, signposted Mickleover, Littleover and Findern.

At the roundabout, take the 3rd exit, to the A5250 signposted Mickleover and Littleover. Continue on this road going straight on at traffic lights and two small roundabouts, past a school on the left and up the hill to a larger roundabout.

Take the 2nd exit at this roundabout (straight on) and continue to the shopping area in Littleover. Here you will see a Jet petrol station on the right hand side [see photo 1] and the Co-op store just beyond it. Just past the Co-op carpark (green sign), and on the same side, is the driveway to the Grange [photo 2]. It is immediately before pedestrian lights.

The entrance to the driveway is very narrow and not easily seen, but there will be CEMRIAC signs posted at the entrance.

Turn right into the driveway. It is narrow with bends, so take care. Go past the Banqueting Suite building to the carpark, which is to the left of the building.

From Derby Ring Road A5111 :

From north or south, turn off the A5111 Ring Road at the traffic lights at the top of a hill, to the A5250 signposted for Littleover. There is a filter-right lane when approaching from the north, just after a left and right bend going uphill.

A very short distance along the A5250, just past South Avenue on the left and immediately after pedestrian lights, is the entrance to the driveway to the Grange on the left.

The entrance to the driveway is narrow and not easily seen, but **there will be CEMRIAC signs posted at the entrance**. Turn left into the driveway. It is narrow with bends, so take care. Go past the Banqueting Suite building to the carpark, which is to the left of the building.

Approach from the A38

Approach from Derby Ring Road (A5111)

* For SatNav use, do NOT use the Postcode given on the Grange website, as it does not direct you to the driveway. The best Postcode to use for SatNav is the one for the Post Office, which is opposite the entrance to the driveway, and that is DE23 6FN.
