Future Events

We were hoping to hold the festival this year at a new venue, the theatre of Landau Forte College in Derby. Unfortunately, this has not been possible due to the present Covid 19 restrictions.

However, we are optimistic about the future and have made a provisional booking of the theatre for 20th March 2022. Hopefully by then we shall be back to some sort of normality, and can enjoy the festival in a cinema environment.

We are also hopeful that we can hold the Autumn Festival this year at the usual venue of Sutton Arts Theatre on 21st November 2021.

The AV Competition will be held on-line at 7-30pm on 6th October 2021.

To make an A5 copy of this programme, print the pages double sided on an A4 sheet and fold to A5.
